

Covid-19 Cancellation policy

In the event of your booking being impacted by Covid-19 we will work with you as best we can to ensure you get to enjoy your holiday when it is safe and government guidelines allow.

- We offer a free booking transfer and a credit voucher for your booking valid until the end of our 2021 rental season (late October/early November).
- In the event of a localised lockdown in your area but our area is able to operate we will try to get your booking rebooked and refund you the days we get filled.
- In the event you or any person travelling contracts Covid-19 prior to your booking we urge you to contact your travel insurance provider as soon as possible. We will not be held liable for missed holidays due to contracting covid or issue refunds in this situation.
- We are following and will continue to follow all government guidelines and have put every measure in place to operate safely gaining the “we’re good to go” government creditation.
